Mr. D. C. Collier,
Barnsville, Ga.

Dear Mr. Collier:

The State is compiling a Civil Service Record extending from 1733 to date and it seems that their record on certain members of the Collier family is far from complete.

I am handing you herewith a list of names on which we desire additional information and knowing that you have made quite a study of the Collier history, I am hoping that you will be able to help by giving me some information regarding these names. What I would like to have in each case would be the birth, death and marriage dates and also the names of wives, with wives' birth and death dates.

My recollection is that you told me you had been getting some data on the Collier family from Mrs. Doctor Floyd W. McRae and, if so, I imagine that you have full data on John J. Collier, Meredith Collier and Merrell Collier as I imagine they lived in DeKalb County before DeKalb was cut up and Fulton County was formed.

Needless to say that any information you can give me will be of considerable importance and will be very much appreciated and I wish to thank you in advance for it.

Yours very truly,

Rawson Collier
